Dear Mr. Waller:

On behalf of the Loudon County Growth Plan Coordinating Committee, I am pleased to submit the approved Growth Management Plan for Loudon County as required by Public Chapter 1101. During the past two years, our Committee and each legislative body have spent considerable time reviewing plan alternatives and complying with the procedural directives of the law. Final plan approval occurred on June 5, 2000 when the Loudon County Commission formally adopted the enclosed plan.

Two copies of the adopted plan map and a signed copy of the certificate of ratification are enclosed for your review. Please note that the certificate of ratification was signed by our County Executive, Mr. George Miller, due to the sudden illness of our Coordinating Committee Chairman, Mr. Norm Sponseller.

Please contact me if you have any questions concerning our submittal. Thank you for your assistance.

Sincerely Yours,

Russell Newman
Planning Director
